Importance of an Eye Exam

Your VSP Advantage network doctor will help keep you and your eyes healthy with a WellVision Exam® — a comprehensive exam that can detect health conditions such as glaucoma, diabetes, and macular degeneration.

Early diagnosis, especially with the rapid growth of pre-diabetes and diabetes, gets you the personalized care you deserve to manage your health and feel your best.

VSP Advantage network is a national network of doctors. All VSP doctors offer a dispensary on site. To locate a VSP Advantage network doctor visit vsp.com/advantageonly.
