Introduction

This booklet provides a list of our plan's network pharmacies located in Nebraska, North Dakota and South Dakota. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Great Plains Medicare Advantage formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of May 15, 2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with “**P**” to distinguish them from other pharmacies in our network that offer standard cost sharing.

This directory is for your service area including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call customer service at (855) 800-8872 (TTY: 711).

Introduction Continued

We also list pharmacies that are in our network but are outside your service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the service area, or customer service at (855) 800-8872 (TTY: 711), 24 hours a day, 7 days a week, or visit greatplainsmedicareadvantage.com.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

We can also give you information in alternate formats such as braille, audio or large print. To get information from us in a way that works for you, please call the plan's Customer Service Department.

Home Infusion Pharmacies

For more information on our network Home Infusion Pharmacies, please contact us by phone at (855) 800-8872 (TTY: 711), 24 hours a day, 7 days a week, or visit greatplainsmedicareadvantage.com.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under the plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service/ Tribal/Urban Indian Health Program (I/T/U) Pharmacies through the plan's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

For more information on our network I/T/U Pharmacies, please contact us by phone at (855) 800-8872 (TTY: 711), 24 hours a day, 7 days a week, or visit greatplainsmedicareadvantage.com.
