

**Medicare Prescription Payment Plan
Participation Request Form**

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket drug costs by spreading them across the calendar year (January – December). **This payment option might help you manage your expenses, but it does not save you money or lower your drug costs.** This payment option might not be the best choice for you if you get help paying for your prescription drug costs through programs like Extra Help from Medicare or a State Pharmaceutical Assistance Program (SPAP). Call your plan for more information.

Terms and Conditions for Medicare Prescription Payment Plan

By electing to participate in the Medicare Prescription Payment Plan program, you agree to the following terms and conditions:

You are voluntarily electing to participate in the Medicare Prescription Payment Plan. Payments, which will not exceed the applicable monthly cap, are due monthly on the date shown on your invoice. You will be billed based on your designated payment method each month. Unless you specify otherwise, any payments made will be first applied towards your Part D plan premium. If you wish for your payment to instead be applied to your Medicare Prescription Payment Plan balance then you must specify as such.

Failure to pay your monthly billed amount may result in termination from the Medicare Prescription Payment Plan program. At any time you may choose to opt out of participation in the program by notifying Great Plains Medicare Advantage by mail or calling (877) 873-5611 (TTY: 711). Beginning 1/1/2026, you may also utilize your secure member portal at member.greatplainsmedicareadvantage.com. You will be sent a notification confirming the termination within 10 calendar days of receipt of your request.

If you are terminated or voluntarily opt out of the program, then you will continue to be billed for any amounts owed under the program but in monthly amounts not to exceed the maximum monthly cap for the duration of the plan year after you have been terminated. You have the option, but are not required, to repay the full outstanding amount in a lump sum. If you owe an overdue balance, understand that you may be precluded in subsequent years from participating in the Medicare Prescription Payment Plan.

Upon leaving the Medicare Prescription Payment Plan program, you will resume paying for out-of-pocket cost sharing to the pharmacy for any covered Part D drugs subsequently dispensed up to the annual out-of-pocket threshold.

We may amend these terms and conditions periodically. Changes will be communicated via mail. Beginning 1/1/2026, communication may occur via email if opted into on your secure member portal at member.greatplainsmedicareadvantage.com.

All statements and answers given during election to participate in the Medicare Prescription Payment Plan are representations made by either a Part D enrollee or their representative. You agree that the answers provided are true and complete to the best of your knowledge.
