2021 Medicare Star Ratings**

Every year, Medicare evaluates plans based on a 5-star rating system. Medicare Star Ratings help you know how good a job our plan is doing. You can use these Star Ratings to compare our plan's performance to other plans. The two main types of Star Ratings are:

1. An Overall Star Rating that combines all of our plan's scores.
2. Summary Star Rating that focuses on our medical or our prescription drug services.

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;
- How well our doctors detect illnesses and keep members healthy;
- How well our plan helps our members use recommended and safe prescription medications.
